

Careers and certifications

One page pulled from the Canon rooms named in the source column. Open the room before you quote a number in a design. This is not a copy of a Cisco document.

Check	What the room says	Source
CCNP Collaboration shape	350-801 CLCOR plus one of 300-815 CLACC, 300-820 CLHCT, or 300-830 CLCCE, as printed in certs.html.	certs.html, Canon text dated 2026-10-14, not re-fetched
CLCOR sitting	certs.html prints 120 minutes and \$US400 for 350-801. Re-check the Cisco exam page before you pay.	certs.html
CLACC	certs.html prints 90 minutes and \$US300. It says CLACCM retired February 2, 2026.	certs.html
CLHCT title	certs.html says the overview sentence and the title line do not match. Quote the sentence you are looking at.	certs.html
Study path	Control Hub, then Calling, then the contact-center track you actually operate. The archive studio still has the dial-plan and flow labs.	This lab
What this page is not	No salary, no hiring claim, and no customer logo. Interview prompts live on interviews.html.	Careers page
Next lab	Sibling labs are separate GitHub Pages sites. This sheet does not rank them.	Footer links
